Revelwood Named Winner of the Workday Adaptive Planning FY22 Solution Provider of the Year Award for Most Growth – Americas

Award Announced at the Workday Virtual Global Channel Partner Rally Event

Florham Park, NJ – March 30, 2022—[Revelwood](#), experts in providing technology solutions for the Office of Finance, was named a winner of the FY22 Solution Provider of the Year Award for Most Growth – Americas. The awards were announced during the Workday Virtual Global Channel Partner Rally event on March 8, 2022.

“More and more companies are recognizing the need for powerful, but flexible planning technology,” said [Ken Wolf](#), CEO, Revelwood. “We have grown our Workday Adaptive Planning client base by capitalizing on the market opportunity and delivering excellent services. Our unique, values-driven approach serves as the foundation for life-long partnerships with our clients.”

Workday’s FY22 Solution Provider of the Year Award for Most Growth recognizes the Workday Adaptive Planning Solution Provider that had the most attributed growth based on Annual Contract Value (ACV) for net-new logos, additions, resources and go-to-market (GTM) activities with Workday Adaptive Planning for the fiscal year. Workday Adaptive Planning enables continuous enterprise planning for finance, the workforce, sales and operations.

This is the second award Revelwood has earned as a result of its work with Workday Adaptive Planning. In 2019 Revelwood was named the [Adaptive Insights Partner Rising Star of the Year](#). Adaptive cited our “determination, passion, thought leadership and overall knowledge and success in the space” when bestowing that award on the company.

Revelwood works with the best software vendors in the marketplace to deliver solutions for the Office of Finance that help optimize financial performance and results. The company has partnered with [IBM](#) for decades and joined the [Workday Adaptive Planning](#) partner program in 2018. In 2021, Revelwood partnered with [BlackLine](#) and [Fluence Technologies](#).
